TO ALL LOCAL UNIONS, JOINT  
COUNCILS AND AREA CONFERENCES

Dear Sir and Brother:

Shortly before Christmas, I sent a letter to our Local Unions, Joint Councils and Area Conferences, soliciting attention in the spirit of Christmas to what I considered a very worthy cause. I requested no large contributions to the Bellarmine Deficit Fund and I did no more than to emphasize that it was a worthy cause.

I am sure you will be interested in the letter I received from the Reverend F. A. Toner, S. J., Rector of Bellarmine High School. In this busy, sometimes cruel, and oft-times avaricious world, I know you share with me the reverence, respect and admiration for those of all faiths who struggle against obstacles to serve the work of the Father of us all.

I send a copy of this letter to you because I think you will receive inspiration from it as I have.

Fraternalty yours,

DB:aw

February 10, 1956

Mr. Dave Beck  
General President  
International Brotherhood of Teamsters  
552 Denny Way  
Seattle 9, Wash.

Dear Mr. Beck;

I hope that you will not consider this note tardy, for I purposely postponed writing to you. I wanted, when I did write, to be able to tell you what I did with the money you so graciously donated to our cause.

The \$9215.00 was immediately deposited in our checking account. A "Thank you" note has been sent to each donor. The list of the donors has been returned to Marcelle Guiry at your Seattle office, and you have my word for it that none of the names on that list will ever be contacted for further donations by any representative of Bellarmine High.

During the past month I have paid off bills, many of which have been outstanding for the greater part of a year. For example:

- \$2256.00 The young men on our faculty who are not yet ordained must attend summer school each year and continue their preparation for the priesthood. Your contributions helped promote this good work.
- \$1150.00 A year ago last December we purchased tables for our cafeteria. Now that bill is paid in full.
- \$1307.69 This amount remained on the bill for kitchen equipment installed a year and a half ago.
- \$480.00 For a new motor and repairs on a car that now, thank God, runs well for a change.

- \$600.00 A grocery bill that is paid in full for the first time in 20 months.
- \$300.00 Insurance. Actually we were delinquent on two policies because we just didn't have the money to pay the premiums.
- \$5000.00 A loan made a couple of years ago on which we were paying interest.

In short, for the first time since I came here, our bills are paid in full and we still have money in the bank. Actually my bank balance today is \$193.61.

No doubt such a bank balance would be a cause of concern to you or any other business man, but to me it is a beautiful sight. It looks so much better than a stack of unpaid bills piled up before me. I suspect that sometimes you must think we are crazy for trying to run a business on such a flimsy shoestring. But if you could see it from my viewpoint it wouldn't seem so strange. You see, Dave, this isn't my school, it's God's school. These are not my debts, they are God's debts. And in the 26 years I have been in this business, just when the financial picture seems darkest, God inspires some generous souls like yourself to help us pay His bills. God uses a man like yourself to help Him do His work, and then He doesn't forget that you gave Him a lift. Sound like a lot of pious prattle, Dave??? Wait until Judgment Day then you'll admit that I am right.

Finally, I want to tell you how sincerely grateful I am to you and to all the Teamsters who helped us out. As long as God gives me health and strength to offer the Holy Sacrifice of the Mass each morning you and your family will be remembered.

God love you always,

*F. A. Toner, S.J.*

(Rev.) F.A. Toner, S.J.  
Rector of Bellarmine High School

P.S. Bet you are surprised that I didn't ask for a repeat performance. But that is Father Jack's department. I wouldn't even try to interfere with such a high pressured beggar!

Re: Bellarmine High School Deficit Fund  
Acknowledge contribution \$500.00

Dear Friend and Brother:

The International Brotherhood of Teamsters is constantly occupied carrying, trucking, moving the heavy burdens which an individual is unable to carry for himself. But the fine act of charity which prompted you to help us carry our financial deficit was an act above and beyond the call of duty. We are and always will be grateful to the Brotherhood.

That our gratitude may be expressed in a more concrete way, during this year of 1955, each of the priests will help God to bless abundantly the families of all of you who have come to our aid.

Sincerely,

The Faculty of Bellarmine High School

J. G. Donnell

Dear Mr. Beck;

I hope that you will not consider this note tardy, for I purposely postponed writing to you. I wanted, when I did write, to be able to tell you what I did with the money you so graciously donated to our cause.

\$600.00 A grocery bill that is paid in full for the first time in 20 months.

\$300.00 Insurance. Actually we were delinquent on two policies because we just didn't have the money to pay the premiums.

\$5000.00 A loan made a couple of years ago on which we were paying interest.

In short, for the first time since I came here, our bills are paid in full and we still have money in the bank. Actually my bank balance today is \$193.61.

No doubt such a bank balance would be a cause of concern to you or any other business man, but to me it is a beautiful sight. It looks so much better than a stack of unpaid bills piled up before me. I suspect that sometimes you must think we are crazy for trying to run a business on such a flimsy shoestring. But if you could see it from my viewpoint it wouldn't seem so strange. You see, Dave, this isn't my school, it's God's school. These are not my debts, they are God's debts. And in the 26 years I have been in this business, just when the financial picture seems darkest, God inspires some generous souls like yourself to help us pay His bills. God uses a man like yourself to help Him do His work, and then He doesn't forget that you gave Him a lift. Sound like a lot of pious prattle, Dave? Wait until Judgment Day then you'll admit that I am right.

Finally, I want to tell you how sincerely grateful I am to you and to all the Teachers who helped us out. As long as God gives us health and strength to offer the Holy Sacrifice of the Mass each morning you and your family will be remembered.

God love you always,

Re: Bellarmine High School Deficit Fund

Dear Mrs. Kotin;

We hope this little note of gratitude will help you to realize how much we appreciate your contribution. In our work we dedicate our lives without wages to the education of youth. Many of the lads who attend our school are worthy of the better education, but are unable to pay even part of the tuition fee. By your generosity you have helped us to help others to be better Americans.

May God bless you for your generosity. You will not be forgotten in our prayers.

Sincerely,

The Faculty of Bellarmine High School

Dear Ann:

Received the list back from you.

Mary thanks. When Bill called me the other day, I gave him the names of three locals that had contributed to the Bellarmine Deficit Fund. Since then another stray check came in from Local 618 in St. Louis, Missouri, in the sum of \$25.00, so please acknowledge receipt of same along with the others.

How goes everything on the East Coast-- really getting tired of all the rain we have had out here.

My best to you.

Through the cooperation of you and the many others who, like you, were so quick to respond, the Bellarmine High School deficit has been met and it was our pleasure, as a Christmas surprise, to advise the school of this good news.

I want to thank you most sincerely for your contribution of \$ . You will, I am sure, also hear from the school and you may be certain they were overwhelmed and very grateful. Thank you again for your generosity.

With real and sincere appreciation, I am

Dear Ann:

I am enclosing the complete list of those who sent checks to the  
Bellarmino Deficit Fund.

Please see to it that a letter is drafted immediately over my  
signature acknowledging with my warm and sincere appreciation  
receipt of each and every one of these checks. Have it taken  
care of either from our office or from Rensdell Printing,  
whichever you deem most expedient. It can be a form letter  
with a place to be filled in with the amount of the contribution.  
State in the letter that I have asked the Bellarmino people to  
send them a personal acknowledgment, which I am sure is being  
done. Please take care of this immediately.

and their work could be injured if publicity ensued which designated their deficit as one requiring charity. I make this recommendation after having it brought to my attention over a long period of time by one who has dedicated himself to the service of God. In my judgment that is sufficient but I emphasize it must be voluntary and not construed as charity. Check to be made payable as set forth in letter and not to me personally.
